

# Annual Report

## 2010-2011

Since 1986, your generosity to the Annual Fund has provided New Vistas School with the unrestricted funds necessary to meet the unique demands of our students and to take advantage of unforeseen opportunities. New Vistas is dependent on Annual Fund gifts to cover those items in the operating budget not funded by tuition costs. Dollars raised are used to support financial aid, teacher salaries, academic supplies, financial assistance, professional development, building and grounds maintenance, and special programs, in the arts, technology and "Beyond the Walls."

This year's Annual Fund plus Leadership Campaign raised \$163,117.60 for New Vistas School.

This figure excludes restricted gifts.

\*Restricted gifts include scholarships, special event sponsorship, building improvements, software programs, and technology.

The following list represents gifts received from July 1, 2010 to June 30, 2011. Thank you for your support!

The Board of Directors established several levels of recognition in 2000:

**Cum Laude \$500 to \$999**
